Here's the poop on getting your gut microbiome analyzed

BY SCIENCE NEWS STAFF 4:38PM, JUNE 17, 2014

I asked two different companies to analyze my gut microbiome. American Gut (left) gave nearly opposite results to those from uBiome (right) with respect to the major phyla of bacteria in a duplicate sample.

Description vs Function?

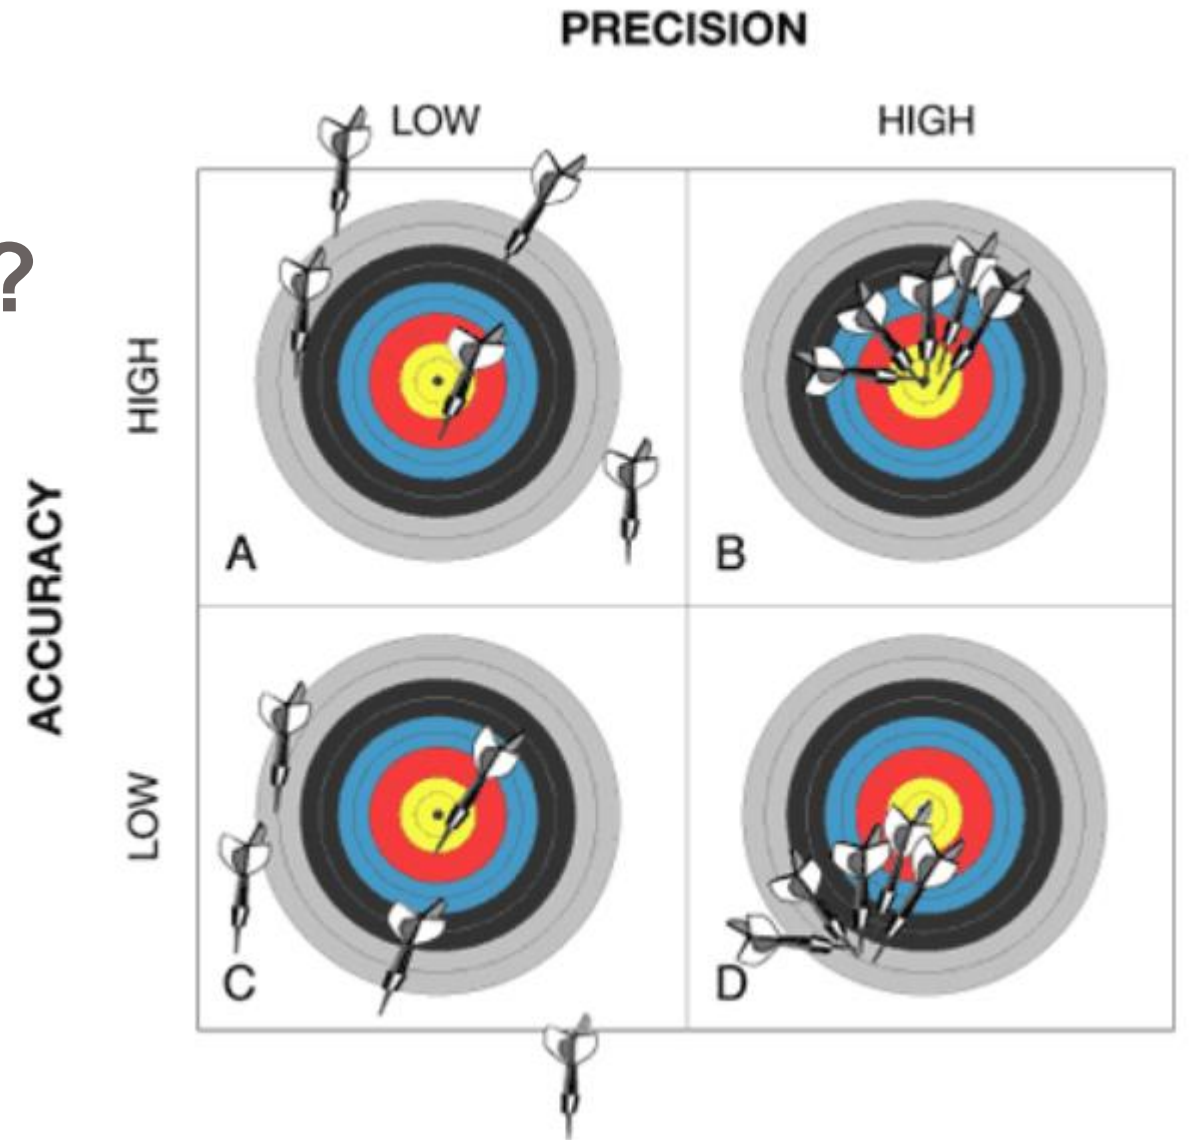

Where are we?

When is it important?

What do we need?

Why do we need it?

How do we need it done?
