

GLOBAL TASK FORCE ON CHOLERA CONTROL

5th ANNUAL MEETING of THE GLOBAL TASK FORCE ON CHOLERA CONTROL 13 and 14 June 2018, Les Pensières, Veyrier du Lac, France AGENDA

Meeting objectives

Following the launch of the *Ending Cholera – A Global Roadmap to 2030 in October 2017*, the meeting will be an opportunity to present an update on GTFCC activities in the last 12 months and discuss how the GTFCC can best support countries in the implementation of the roadmap. Specifically, the proposed objectives of the meeting are to:

- Review the activities of the GTFCC and its working groups in the last 12 months
- Provide an update on the implementation of recommendations from the independent review of the GTFCC conducted in 2017 and agree on the way forward
- Present an update on cholera control activities in countries and opportunities for support to be provided by the GTFCC partners
- Present and discuss the advocacy and resource mobilisation strategy for cholera and agree on the way forward

Dates: 13 and 14 June 2018

Location: Veyrier du Lac, France

Venue: Fondation Merieux Conference Centre Les Pensières

Information

DINERS - Please note that Fondation Merieux is arranging all meals for the duration of the meeting including diners. Diner will be served every night for participants staying in Les Pensières. Please inform the reception if you plan to eat out.

RAMADAN - The GTFCC meeting coincides with Ramadan - Fondation Merieux is preparing special arrangements for participants fasting – Please confirm to cindy.grasso@fondation-merieux.org if you are observing Ramadan
