

PRACTICAL INFORMATION

Les Pensières Center for Global Health

This unique setting serves as a global hub for sharing perspectives, inspiring ideas and developing initiatives to ensure that global health progresses with no borders between countries and disciplines.

Part of the Mérieux Foundation, each year Les Pensières welcomes more than 5,000 professionals from the health sector for conferences and training sessions designed to advance healthcare worldwide. The Center offers a unique working environment that is conducive to both reflection and discussion.

Access to Les Pensières

Les Pensières is three and a half hours from Paris by TGV, 30 minutes from Geneva international airport, one and a half hours by motorway from Lyon and less than one hour from the Mont-Blanc tunnel linking France and Italy.

- **Closest airport:** Geneva
- **Closest train station:** Annecy

Accommodation and transfers

As soon as you have registered and completed the accommodation and transport form we will be glad to reserve your airport or train station transfer if required and also your room either at the **Les Pensières** or the nearby **Ancor Hotel** depending on availability.
