GLOBAL DIGNITY | ANNUAL LEADERSHIP + STRATEGY RETREAT | 2019

APRIL 30 – MAY 2, 2019

LES PENSIÈRES CENTER FOR GLOBAL HEALTH | 55 ROUTE D'ANNECY, 74290 VEYRIER-DU-LAC, FRANCE

OUR GOALS:

- To understand the context of our work and why it matters in the challenging times we live in.
- To work together with Global Dignity's Board, International Council of Advisors, Country Chairs and Partner Organizations to create a vision and road map for the next chapter: 2019 – 2020, and emerge inspired and energized.
- To crystallize our "Theory of Change," how we plan to both scale our efforts and deepen the impact of our work.
- Cover "best practices" for Country Chapters and our alliances with Partner Organizations through knowledge-sharing and lessons learned from the field.
- To explore initial ideas beyond our work with young people.
- Have some FUN together: build relationships and our Global Dignity Community.
