

**Agenda**  
**Global Vaccinology Training Workshop**  
**7-8 November 2018**  
**Les Pensières, Veyrier-du-Lac**

**Aims:** Reflect on the current status of advanced vaccinology education around the world and discuss the future of such training with participation of leaders in education from current programs.

**Specific objectives:**

- (i) perform a landscape analysis of major current courses, objectives, target audiences and source of funding for the course and trainees,
- (ii) define the vaccinology education gaps and future needs around the world,
- (iii) identify current and future best practices for training in vaccinology,
- (iv) review the organizational and financing structure of Global Vaccinology Training,
- (v) promote the use of innovative and effective educational technology, and
- (vi) identify potential areas of collaboration and cross pollination between different training initiatives.

Time	Session	Presenters	Co-Chairs	
	<b>Day 1: Wednesday, 7 November 2018</b>			
08:30	Registration			
09:00	<b>Welcome - Introduction - Objectives for the meeting</b>	Philippe Duclos		15 min.
09:15	<b>Introduction of participants</b>			20 min.
09:35	<b>SESSION 1: Landscape analysis of major current vaccinology courses</b>  Summary presentation: 20 min. Questions on the specific courses: 15 min.  Discussion on challenges encountered by the various courses: 30 min.	Edwin Asturias	Pierre Van Damme/Narendra Arora	1h 05 min.
10:40	<b>Coffee/Tea break</b>			20 min.
11:00	<b>SESSION 2: Definition of the current and forecast of future needs in vaccinology training</b>  Presentations: Industry 15 min. Biotechs 10 min. Public Health 15 min.	Audino Podda Veronica Gambillara Ann Lindstrand	Pierre Van Damme/Narendra Arora	1h 30 min.

	Discussion: 50 min.			
12:30 – 14:00	<b>Lunch</b>			1h 30 min.
14:00-14:40	<b>SESSION 3: Identification of remaining gaps</b> General discussion around the identification of remaining gaps including regional ones and ways to facilitate establishment of additional courses and cascade training: 40 min		Edwin Asturias/Hanna Nohynek	40 min.
14:40-16:10	<b>SESSION 4: Best practices on Health Sciences Education applicable to Vaccinology</b> Presentation: Instructional design approaches and application of trends and innovations on continuing medical and health sciences education, 30 min. Discussion: 60 min.	Jane Tipping	Noni MacDonald/Armelle Phalipon	1hr 30 min
16:10	<b>Coffee/Tea break</b>			20 min.
16:30-18:10	Presentation: E-learning: opportunities and challenges, 20 min. Discussion: 30 min. Evaluating courses, trainees and courses impact Discussion: 50 min.	Claude Meric	Noni MacDonald/Armelle Phalipon	1hr 40 min.
18:30	<b>Cocktail and Dinner</b>			

Time	<b>Day 2: Thursday, 8 November 2018</b>	Presenters	Co-Chairs	
08:30	<b>SESSION 5: Dissemination of information on individual courses (web ..)</b> Discussion: 30 min.		Benjamin Kagina/Amy Finan	30 min.

09:00	<b>SESSION 6: Post trainings updating of knowledge</b>  Presentation: Needs and means in post trainings updating of knowledge, 15 min.  Discussion: 1 h	Stéphane Paul	Benjamin Kagina/Amy Finan	1h 15 min.
10:15	<b>Coffee/Tea break</b>			20 min.
10:35	<b>SESSION 7: What collaboration between vaccinology courses</b>  Discussion on need and opportunities for collaboration: 1h 40 min.	Discussion by themes All participants	Hanna Nohynek/Edwin Asturias	1h 40 min.
12:15	<b>Lunch</b>			1h 15 min.
13:30	Continued Discussion: 1h	Discussion by themes All participants		1h
14:30	<b>SESSION 8: Establishment of a web platform of information on Vaccinology Training</b>  Discussion: 30 min.	All participants	Rebecca Ashfield/Anuradha Bose	30 min.
15:00	<b>Summary of the meeting</b>  Presentation 15 min.  Additional comments by all	Noni MacDonald		25 min.
15:25	<b>Closure of the meeting</b>			5 min.
